

Burgin's Christmas Party

Every year, the annual Christmas party at Burgin's place (Vintage Motorcycles Northwest) is a favorite event. December 12th 2015 was no exception—and it was great to see all those Evergreen sweatshirts gathered around, folks warming themselves at the stove, and enjoying the bikes upstairs. There is always ample food, refreshments, lots of stories, laughs, old friends seen, and new friendships made!

The festive atmosphere brings back memories of the days when Johnny was always ready for company and to share his hospitality. Thanks to Bunny Burgin, the tradition lives on.
